

What are you
doing here?

I told them that I spoke
to you earlier, please.
You told me that you're
going to come here.

When did
I say that?

I know
you.

Try to pretend to get
acquainted with a
woman for human
relations staff.

Did you hear
everything?

Mm. I heard
everything from the
staircase and I went
back to your room.

I don't know
it feels like I am
watching over an
unknown subject

I feel like things
are still unclear

How do
you feel?

I can't fully trust
my grandma

But she did
everything she could.

Even so, we can't do
anything about
it. Everyone
was that much.

It's almost a dog that makes you
smile? I'd like a baby for her
almost your age when like
you already your two children.

When anyone
and sometimes
make you until
all the "road".

It will not try to
and run your moon.

Leaving both of
you a man. Right?

It's like that for me—
and Miyoung as well.

Using you is difficult
from being Miyoung.

I want to
be with you
and be
saved by you

You are a path
which can save me

I've talked about it,
to be with you
I'm trying to
live properly...

I probably am a person
like that for you

So, let's be
together.

I don't like
guy who cheat

I don't want
to beg on
the something
important.

I don't want to
be anxious, worrying
about everything
is going to work

I don't want
to feel like
what mean the
treatment beg

I only hope that
you love me.

I want to be loved
like I am the
only one who
exists in this world

If you can do
that then do so.

I will.

I won't forgive you
the second time

Yes.

I am not joking.
I will kill you.

Yes.

You have to keep
your promise. If you
break it, I'll kill you.
I'll kill you.

Yes.
I see.

What are
you doing?

I am cooking
noodles

Let me eat, too
I'm hungry

Are you
going to get
spring rolls in it?

Why should I? Let's
just eat without it.

It's here. It's
all southern and
it's going
to make sense.

What are you
imploring? Why are
you putting that
spring roll in it?

What is the point of
spring rolls? What
will you
do with it?

I heard that
you had more.

I could meet
her, so what?

No, that's
not it.

No, that's
not it.

...I see.

Why are you
not asking
me, your dad?

Is it because it
might be true?

I never
did that.

It's true.

I also thought that
it wasn't true.

But mom...

Didn't she
trust you?

No, mom
knows well.

But your mom
told me.

'What is
different?'

Even now I can't
understand it all.

Probably...

The reason
she left.

Was because of me
being like this.

The people
around me are
finding their
own places in life.

Just like organizing
blocks which
were raised up all
over the place.

slowly

Just where
they
need to be.

Make your
heart decide,

And choose where
you are heading,

Decide what road
you are going to take
and make sure it's
one which you like.

So I must
decide
as well.

I think I can
do that now.

Right now I
am very calm.

And so composed, that
I'm almost feeling sad.

How have you
been, dad?

Fine.

Are you
busy?

A little

I thought
that you didn't
come home
for holidays.

What are you
going to marry?

It hasn't been
decided yet

But you are
about to reply!

What should
I do?

Well, Your sister is
going to decide

Just going to live
with you, or...

Well, something
like that

You can think about that
when the time comes.

I didn't know you
I was sorry...

When you weren't
with me...

I was at Dan Son
Gang's house.

a bad when I
said that I was
praying with a
friend. I'm sorry.

Aren't you surprised?

No, I am surprised.

I asked him so stubbornly.

He couldn't help but say yes.

That of course really
feels at times like
feeling like not
concerning your

It was just like I
having a
normal life

One that I never
had before

I wanted to continue
living like that.

I gathered the courage to
speak to you about this.

So...

I hope your business meeting goes well.

This is really important to me.

Dad,

Why did you not
tell that to mom?

No matter
how I try to say
this, it all
sounds wrong.

And I feel like
no words
can describe
it properly.

If you want me to
speak about it, I don't
know what words
I should use.
